1

2

3

4

5

6

7

Name	Quantity	Standard	Marked
1. winch	1		
2. relay,wrapping sheet iron	1+2		
3. frame			
4.bolt,nut,	2+2+4	M 12*70	Fixed on winch
5.cable	2	Red color means '+'	
6, winch nut	2		

Assembling Description: 1) Fix 2 on 1 like 7 ;
 2) Take off 4 from 1 ;

- 3) Fix 7 on 3 with 4 ;
- 4) Fix 5 on 6

Step three : Installation instruction of front bumper

1

2

3

Name	Quantity	Standard	Marked
1.bumper	1	25*10-12	
2.base	2		
3.bolt and washer	4+4+4	M 12*30	

- Assembling Description:
- 1) Take off 3 from 2
 - 2) Fix 1 on 2 with 3

Step four : Installation instruction of motor and winch cable

1

2

3

4

Name	Quantity	Standard	Marked
1. battery	1		
2. motor cable	2		
3. winch cable	2		
4. sample			

- Assembling Description:
- 1) Fix 2 and 3 on 1 like 4

Step five : Installation instruction of brush guard and handle grip

1

2

3

4

5

6

7

8

9

Name	Quantity	Standard	Marked
1.rear brush guard	1		
2.front brush guard	1		
3.bolt and washer	4+4+4	M 10*65	On 4
4.pole	2		
5.handle grip	2		
6.frame			
7.frame			
8.bolt and washer	4+4	M 10*100	On 6
9.bolt,nut and washer	4+4+4	M 10*95	On 7

Assembling Description:

- 1) Take off 8 from 6;
- 2) Fix 1 on 6 with 8;
- 3) Take off 9 from 7;
- 4) Fix 2 on 7 with 9;
- 5) Take off 3 from 4;
- 6) Fix 4 on the top of 1 and 2;
- 7) Take off the bolts and nuts; And fix 5 on the hole of 1;

Step six : Installation instruction of safety belt

1

2

3

4

Name	Quantity	Standard	Marked
1. safety belt	2		
2.rear brush guard hole	2		
3. the hole of chair	2		
4.bolt ,nut and washer	4+4+8	M 10*30	In the tool bag

Assembling Description: 1) Take off 4 from the tool bag;
